

Bibliography

Due on or before last day of class. Please check the syllabus for the correct date.

Instruction

Submit a bibliography relating to your topic. Please use MLA style for all citations. I need **two citations** for each of the following categories:

- | | | |
|------------------------------|---|---------------|
| • Reference books | = | two citations |
| • Circulating books | = | two citations |
| • Newspaper articles | = | two citations |
| • Popular magazine articles | = | two citations |
| • Scholarly journal articles | = | two citations |
| • Internet resources | = | two citations |

Total = 12 citations

You may already have obtained some citations from previous assignments. If so, all you need to do is to list them in a proper order according to MLA style. To obtain the citations, perform searches with *Voyager*, *ProQuest Direct*, and the Internet.
