

Library 1 - Introduction to Libraries and Information Sources

Introduction to the Research Process Assignment 1

For this assignment, you will submit a topic statement and an overview of your search result. You will need to write a clear description of the **topic of your choice** in a complete sentence delineating points of view of your paper. **The topic of your choice will be used for this assignment and for compiling a research guide.**

Chose from the following topics located at http://lib.lbcc.edu/laney/lib1/sirs_issues.pdf.

1. Which topic did you decide upon?

2. Write your topic statement in a complete sentence including a point of view on the topic.

3. Identify at least 2 major concepts of your topic. What are they?

4. For each concept listed above, provide 2 synonyms. Use a thesaurus for assistance.

5. Determine what types of information resources would be appropriate for your topic. Provide an explanation. (i.e. reference books, books, newspapers, magazines, journal articles, websites, videos, etc.)
