## Electronic Books

The Library has over 11,000 e-books, which are accessible through the online catalog, *Voyager*, or from NetLibrary.com. When on campus, simply choose a record with the location "Electronic Book" in *Voyager*. Select the desired title, then select "Link to Resource" in the *Voyager* record. In NetLibrary click on "View this eBook" and you can read the full text. When off campus, use a generic id and password found below to enter the e-book sites:

■ **ABC-Clio**

Username: 68769student  
Password: 68769student

■ **NetLibrary**

While on campus, you may create your own user name and password through NetLibrary or just use one of the generic usernames found to the right.

■ **NetLibrary generic ids & passwords**

Account Names: lbccuser6  
through  
lbccuser20
